Le Condizioni si applicano esclusivamente se l'Acquirente è un professionista e il contratto è concluso nell'ambito dell'attività professionale dell'Acquirente. Le Condizioni non si applicheranno ad alcuna vendita effettuata a "consumatori" ai sensi della normativa italiana ed europea in materia.

1.2 L'offerta e la vendita dei Prodotti, il perfezionamento dei contratti e ogni altro rapporto tra Caprari e gli Acquirenti inerente alla vendita di Prodotti sono regolati in via esclusiva dalle Condizioni. Termini diversi proposti in qualsiasi forma o maniera dall'Acquirente non avranno efficacia e non saranno vincolanti per le Parti, salvo esplicita valutazione e conseguente accettazione per iscritto da parte di Caprari; parimenti non troveranno applicazione eventuali condizioni generali / particolari predisposte dall'Acquirente, il quale, con l'accettazione delle presenti Condizioni, dichiara espressamente di rinunciarvi.

2. Ordini e Contratti

2.1 L'Acquirente si impegna ad effettuare gli ordini a Caprari in conformità alle previsioni del presente articolo. Resta pertanto inteso che ordini che non rispettino le seguenti disposizioni, ordini incompleti o inesatti non verranno tenuti in considerazione da Caprari.

2.2 Caprari non sarà obbligata ad accettare gli ordini pervenuti dall'Acquirente, potendo liberamente valutare se procedere o meno all'accettazione e alla conseguente consegna dei Prodotti.

2.3 Gli ordini dei Prodotti dovranno essere effettuati dall'Acquirente mediante invio a Caprari di un ordine scritto contenente gli elementi indicati da Caprari come essenziali (in via esemplificativa: tipologia prodotti, quantità, prezzo).

2.4 Caprari - ove intenda accettare l'ordine - invierà a mezzo posta elettronica all'Acquirente una conferma d'ordine. Il contratto di vendita si intenderà perfezionato al momento del ricevimento della conferma d'ordine da parte dell'Acquirente e l'ordine non potrà più essere revocato o modificato, in assenza di accordo scritto tra le Parti.

2.5 La conferma d'ordine potrà contenere elementi o valori diversi da quelli indicati nell'ordine. È espresso onere dell'Acquirente verificare la corrispondenza della conferma d'ordine all'ordine e di comunicare, entro 5 (cinque) giorni dal ricevimento della conferma d'ordine, il proprio dissenso o la propria eventuale accettazione. Decorso inutilmente il termine di 5 (cinque) giorni dal ricevimento della conferma d'ordine, senza che l'Acquirente abbia effettuato alcuna comunicazione, la conferma d'ordine si intenderà tacitamente accettata dall'Acquirente ed il contratto concluso alle condizioni da ultimo proposte da Caprari.

3. Specifiche Prodotti

4. Prezzo dei Prodotti

4.1 I prezzi dei Prodotti saranno quelli indicati nella conferma d'ordine. Caprari si riserva il diritto di modificare - a sua insindacabile discrezione - il proprio listino prezzi, secondo aggiornamenti periodici che sono comunicati agli Acquirenti da parte di Caprari. Le

5.3 Qualunque eventuale contestazione tra le Parti in merito ai Prodotti venduti non consentirà all'Acquirente di sospendere il pagamento del prezzo o di prolungare i relativi termini. Qualsiasi azione od esecuzione dell'Acquirente non potrà essere ritenuta procedibile in mancanza di integrale pagamento del prezzo.

5.4 Qualora l'Acquirente non effettui il pagamento anche di una sola rata, impregiudicato qualsiasi altro diritto o rimedio disponibile, l'Acquirente si intenderà decaduto dal beneficio del termine ex art. 1186 del Codice Civile Italiano con conseguente obbligo di corrispondere immediatamente a Caprari l'intero credito e Caprari potrà immediatamente risolvere il contratto ex art. 1456 del Codice Civile Italiano, dandone notizia all'Acquirente, salvo il diritto al risarcimento dei danni.
